

Invitation to the 2nd E-RIHS.si Conference 2024

Date: November 13, 2024

Location: University of Maribor, Slomškov trg 15, 2000 Maribor

We are pleased to invite you to the second E-RIHS.si Conference, which will take place on November 13, 2024, at the University of Maribor. This year, we will reflect on the significant achievements of the Slovenian node of E-RIHS, including advancements in research, infrastructure development, training, and policy over the past year.

Conference Program:

1. Opening Address:

Hear from distinguished speakers, including:

- UM Rector, Prof. Dr. Zdravko Kačič
- Prof. Dr. Matija Strlič (UL)
- Prof. Dr. Gorazd Bajc (UM, FF)
- Irena Porekar Kacafura, Univ. Grad. Eng., Conservator-Restorer, Regional Museum Maribor
- Emina Frljak Gašparović, President of the Restorers' Association
- Prof. dr. Predrag Novaković, President of the Archaeologists' Association of Slovenia

2. E-RIHS Award Ceremony:

The E-RIHS Award will be presented by Prof. Dr. Lidija Fras Zemljič and Prof. Dr. Matija Strlič, honoring exceptional contributions to heritage science.

3. Lectures:

Engage with thought leaders in the field of heritage science including two invited speakers:

- dr. Fenella France, Library of Congress, Washington DC, United States of America

- dr. Costanza Miliani, director, Institute for Heritage Science, CNR, Naples, Italy

4. Poster Session:

Discover the latest research and innovations in heritage science during the poster session.

5. Discussion:

Participate in a dynamic discussion on collaborations between cultural and research institutions, focusing on the future of interdisciplinary efforts in heritage science.

The conference will be held in English.

Who Should Attend?

This event is open to students, researchers, conservators, engineers, practitioners, entrepreneurs, and policymakers. Join us to explore how interdisciplinary collaboration can be enhanced for everyone involved in heritage science and discuss strategies for growing the field, with a special emphasis on digitalization.

Registration Details:

The event is free to attend, but registration is required. Secure your spot by registering [here](#) or simply scan the QR-code.

We look forward to welcoming you to this important event and to your contributions to the future of heritage science!
